# SPECIAL TIMETABLE

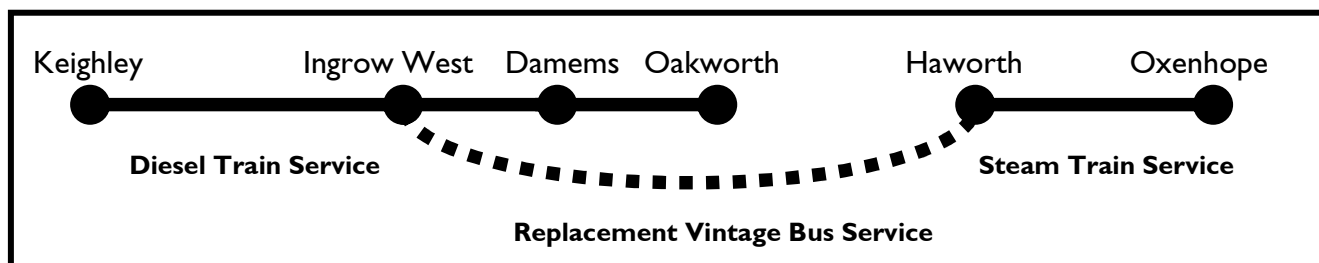

*DUE TO*

# WORK ON THE LINE

SATURDAYS 13<sup>TH</sup> & 20<sup>TH</sup>, SUNDAYS 14<sup>TH</sup> & 21<sup>ST</sup> SEPTEMBER 2014

On the above dates essential maintenance will take place to one of our bridges near Oakworth. This important work will involve our volunteers removing sections of track to allow specialist contractors to carry out corrosion prevention, apply a protective paint, and carry out other work to ensure the bridge, dating from 1862, can continue to carry our trains for many years to come.

This will mean that trains will be unable to run between Oakworth and Haworth. Steam trains will operate between Oxenhope and Haworth only, with a 1950s Diesel train operating between Oakworth and Keighley. Due to limited road access for buses and large vehicles at Oakworth, a special Vintage Bus service will operate between Ingrow and Haworth. Passengers from Keighley to Haworth should travel by train from Keighley to Ingrow, then by Vintage Bus to Haworth. Passengers can take a steam train journey between Haworth and Oxenhope. Please note that Bicycles, Prams and Pushchairs that do not fold down cannot be conveyed on the Vintage Bus service.

**REDUCED FARES** will apply on these dates – Adults can travel all day on buses and trains, and get entry to the two superb museums at Ingrow for only £10 – saving £5 on the normal fare! For details of reduced fares for other journeys, please ask at the booking office.
